## Method Statement 6.8 - *Health and Safety*

### MS 6.8a - *Introduction*

A Business Management System (BMS) meeting ISO14001 (Environmental Management System), ISO9001 (Quality Management) and OHSAS18001 (Occupational Health & Safety) requirements will be implemented at the Facilities. This will allow the Contractor to achieve the highest practical standards of quality, safety, occupational health and environmental control and performance. The Contractor introduced its own Environmental Management System (EMS) in the early 1990s which is now implemented and operated at all facilities.

### MS 6.8b - *Health and safety policy*

The Contractor has a comprehensive health and safety policy (a current copy of which is attached for reference purposes only at Appendix 6.8a) that will be implemented at the Facilities. The policy is reviewed annually.

### MS 6.8c - *CDM Regulations*

[redacted]

### MS 6.8d - *Safety management systems*

The facilities will be designed according to best practice in health and safety and will set all legal requirements as the minimum standard of compliance.

#### MS 6.8d.i - *Arrangements for inspections*

[redacted]

### MS 6.8e - *Health and safety resources*

[redacted]

### MS 6.8f - *Health and safety training*

The Contractor will provide health and safety training in accordance with its health and safety policy to ensure managers and staff have the necessary competence to address and control the significant risks of the operations. Where legally required the training plans and records will be available for viewing by the Authority.

### MS 6.8g - *Emergencies*

MS 6.8g.i - *Emergency notification procedures*

[redacted]

MS 6.8g.ii - *Emergency and contingency plans*

[redacted]

MS 6.8g.iii - *Records and reporting procedures including for accidents and ill-health*

[redacted]

### MS 6.8h - *Health and Safety Reporting*

MS 6.8h.i - *Contents of monthly health and safety report;*

[redacted]

[redacted]

MS 6.8h.ii - *Contents of Service risk assessments;*

[redacted]

**MS 6.8i - *Fire assessments***
